Please read the following and initial that you agree to its stipulations: _____

Since the club is made up of all volunteers, everyone is expected to do what they can to make it successful, For the Annual Show each member must work 4 hours per day (there are many sitting jobs if health requires it), donate two pies or cash equivalent, work on set up and tear down and help promote the show in the community. During the year each member will display some hobby and donate a small door prize once as well as provide refreshments or drinks about once a year. In addition, you may be asked by the President to help chair a committee or be on one after you are familiar with our organization. The support of all members is what makes this club run well. We are looking forward to having you as an active member.

I request membership in the **South Bay Lapidary and Mineral Society, Inc.**
